The “**Robert G. Bobo Memorial**” Golf Tournament is held annually to support the Hot Stover’s Scholarship Fund and the South Jersey Baseball Hall of Fame Museum housed at Campbell’s Field in Camden. The Exhibit is located in the stadium, on the ground level, left of the entrance, has a permanent gallery and museum dedicated to South Jersey Baseball.

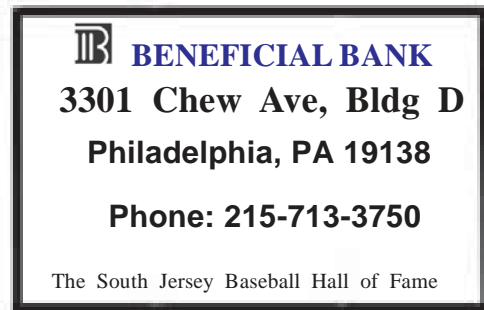

This museum was designed and built by Maltbie, Inc., a South Jersey company that created many exhibits throughout the World. Photos, memorabilia and many other related materials are viewed chronologically as you walk through the room. The backdrop is action shots on a large mural that extends around the room. The mural of various Hall members begins with players of the 1900 era, and then continue through the century, to a section that honor various current pro players. Highlights of each decade are part of the mural. There are also 215 plus plaques honoring each of the Hall of Fame inductees.

The South Jersey Baseball Hall of Fame is a quality exhibit that, with your support, will continue to grow and improve. New at the museum is a touchscreen computer, sponsored by Sun National Bank. Visitors are able to search the computer for various Hall of Famers and view their biography, stats and exciting photos.

The South Jersey Baseball Hall of Fame wish you all a great round of golf on the beautiful and challenging Medford Lakes Country Club Golf Course. Have a wonderful day and enjoy the banquet, drink, prizes and camaraderie of your fellow golfers.

HOLE SPONSORS, Please use example to right:

EXAMPLE
